

WORLD ANIMAL DAY

**Give Your Pets a Break - and Give *Them* a Chance
Help Make 2008 New Litter-Free!**

Please consider giving your pets a year off from breeding new litters (and encouraging others to do the same!) to give the millions of homeless animals a chance to go to their forever homes.

**So, please, Give Yours a Break -
and Give *Them* a Chance!**

Please consider giving your pets a year off from breeding new litters (and encouraging others to do the same!) to give shelters a chance to reduce over-population, eliminate euthanasia, and to find forever homes for all homeless animals.

**In 2009, be proudly known as a generous,
caring breeder who Gave Them a Break and
Made 2008 New Litter-Free!**

A celebration of animals and their contribution to our lives
