## AMERICAN VOLUNTEERS AT TANZANIA ANIMAL WELFARE SOCIETY (TAWESO)

Tanzania Animal Welfare Society (TAWESO) hosted eleven American Volunteers under World Vets who helped suffering animals in Dar es Salaam during October 7<sup>th</sup>-8<sup>th</sup>, 2011 as a part of Celebrations of the World Animal Day 2011. Two weeks before the team's arrival, the World Vets CEO Dr. Cathy King and other staff made a visit to TAWESO to do some logistics and had a chance to see areas where we work in Dar es Salaam and outreach site where the team would be working and also brought veterinary supplies for the work and for future TAWESO uses.

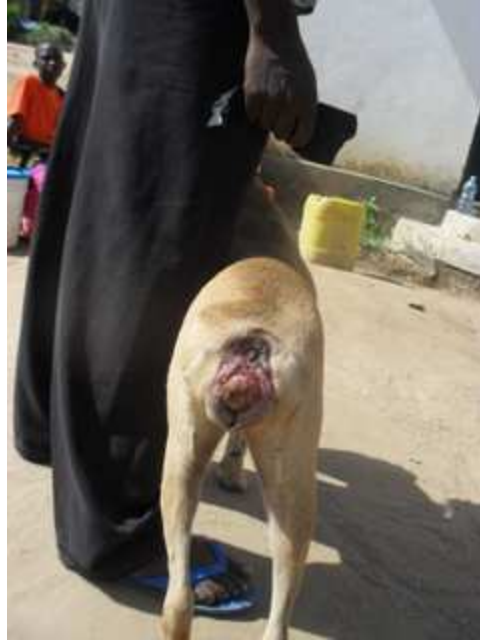

The outreach veterinary clinics were held in a very crude Nursery School Class within CCM grounds at Kimara Bonyokwa area in Kinondoni Municipality, Dar es Salaam.

The residents were well informed through posters which TAWESO volunteer staff distributed in various areas and announcement by loud speakers to disseminate the information about the **three days free veterinary service** and the response was very well, in addition TAWESO staff were trapping stray animals which were then sterilized and given relevant medications according to their needs.

The team was lead by Dr.Karen Allum who was an extraordinary hard working person with high administrative and technical skills. The animal species were mostly dogs and cats and the works included spay/neuter, vaccination against rabies, deworming and veterinary treatment of various diseases like skin conditions and transmissible venereal tumours (TVT), it was a real busy three days work and **a total of 173 animals were helped during the programme.**

## **WAY FORWARD**

Tanzania Animal Welfare Society (TAWESO) is struggling to build a Housed Surgery Room which in future will be expanded to a Community Veterinary Service and Humane Education Centre so that we can help more animals requiring veterinary care and spread Humane Education programmes, this needs support.

Also we need help to reach more suffering animals in the country.

We welcome support/donations through the address below:
