

ANIMAL AWARE

World Animal Day

Every year on **4 October** World Animal Day is celebrated to acknowledge our relationship with the animal kingdom and the importance of animals' lives.

Celebrating World Animal Day is a great way to show that you care about animals and can be celebrated in so many different ways in your unit. You don't have to be a pet owner or an animal rights' activist to join in this special day.

The official World Animal Day website at **www.worldanimalday.org.uk** provides ideas and everything you need to organise a successful World Animal Day event. Visit it now for inspiration and more information on how to get involved.
