World Animal Day

Posted on 7th October 2008

Tagged: [Donkidz club](#) • [Egypt](#)

On Saturday 4th October we helped celebrate both [World Animal Day](#) and [World Rabies Day](#) along with other animal welfare societies at Giza Zoo situated in Cairo, Egypt. Visitors to the zoo were able to listen to talks about donkey welfare as well as find out about endangered animals and areas of conservation in Egypt. There were quizzes and drawing competitions for the children as well as a 30 minute puppet show before gifts were distributed to the children.
