World Animal Day

04 Oct 2008

Animal welfare groups, sanctuaries and individuals across the world will hold special events to heighten public awareness of animal issues and to encourage people to think about how we relate to animals.

World Animal Day is a wonderful and "not to be missed" opportunity for everyone concerned about animals and their welfare to make it a special day.

The organisers wish to encourage all animal welfare groups to use this special day to commemorate our love and respect for animals. (If you are an individual you can also get involved). In addition, the day can be used to promote your cause or highlight a particular welfare issue.

World Animal Day - Mission Statement

- To celebrate animal life in all its forms.
- To celebrate humankind's relationship with the animal kingdom.
- To acknowledge the diverse roles that animals play in our lives - from providing food, through being our companions, to supporting and helping us, to bringing a sense of wonder into our lives.
- To acknowledge and be thankful for the way in which animals enrich our lives.

Ideas, action packs and promotional help can be found on the [World Animal Day](http://www.worldanimalday.org.uk) website.

Participating UK organisations include:
