

ONE FOR THE ANIMALS

World Animal Day began in 1931 when ecologists at a conference in Florence nominated 4 October (the Feast Day of St Francis of Assisi, the patron saint of animals) as an ideal way of highlighting the plight of endangered species. Since then World Animal Day has evolved to encompass all animals and is celebrated in many countries. Please get involved and visit www.worldanimalday.org.uk where you will find plenty of ideas to inspire you, as well as everything you need to help you organise a successful World Animal Day event – it's all there waiting for you!
