## World Animal Day at Argos

FAMAGUSTA GAZETTE 02.OCT.09

In celebration of World Animal Day this Sunday, the ARGOS animal charity will have an open day at their shelter in Orhmedia.

George Perdikis from the Green Party Cyprus, together with his supporters, will take part in a tree planting and general clean-up of the sanctuary grounds.

The SBA police who initiated the tree planting at the sanctuary to make it a better environment for our animal friends, will also be represented.

Visitors will be able to tour the animal shelters and be given informative leaflets to encourage responsible pet ownership.

Refreshments will be available.
