It's World Animal Day on October 4 and where better to make a fuss of Fido than at Trigony House Hotel in Dumfriesshire, voted sixth 'most doggy-friendly hotel in the UK' by TripAdvisor? Throughout October, the hotel is offering special 'walkies' breaks which include a doggy welcome pack, maps and packed lunch.

From pounds 90 pppn DB&B based on two sharing, dogs stay for free for bookings made on World Animal Day (www.countryhousehotelscotland.com or tel 01848 331211).
