Pet lovers are expected to descend on Windsor's riverfront Sunday, Oct. 3, 2010 with their four-legged best friends for a walk in support of World Animal Day.

World Animal Day is an annual international event to celebrate and help animals. The local march will begin at noon at Dieppe Gardens.

The focus of the event will be Parliament's support of the United Nations declaration about animal welfare and the need for stronger national cruelty laws.

Coun. Ron Jones and Patrick Tohill, programs manager with the World Society for the Protection of Animals, are expected to attend.

The Windsor-Essex County Humane Society will also be on location.
