

# Animal Rights, I Mean Writes

All animals are created equal.  
Every animal has the right to recognition  
And should not be subject to  
Cruel or degrading treatment.  
Every animal has the right to  
Freedom of expression  
And the right to participate  
In the cultural life of the community.  
Every animal has the right  
Not to belong to a human  
And no animal should suffer  
Discrimination based on  
Coat colour, fluffiness  
Or seasonal orientation.
