

WORLD ANIMAL DAY 4th OCTOBER – GET INVOLVED

Be part of something special and find out how you can get involved this year – visit www.worldanimalday.org.uk to find out more. Even if you don't use the internet yourself, you will probably know someone who does and, even if you're not involved with any particular group or animal organisation, there are still plenty of things you can do to make World Animal Day a special event. Here are just a few ideas.

- Write to your local newspaper telling them about World Animal Day. You could suggest that the paper undertakes a fund-raising project for a local animal shelter or helps find new loving homes for some of the animals.
- Make up a parcel of goodies for a local animal shelter, and remember to wish the staff a 'Happy World Animal Day' when you hand it over. Blankets, toys, feeding bowls and food will all be gratefully received.
- Sponsor a shelter animal that cannot be rehomed and / or volunteer as a dog-walker or kennel helper.
- Raise valuable funds for a favourite animal cause by having a coffee morning, car boot or garage sale.
- At work, get together with colleagues and organise a fund-raiser such as selling animal-shaped cookies, an auction of promises or invite dog owners to pay for the privilege of taking their well-behaved dogs to work.
- Make your garden more wildlife-friendly—wild corner, bird bath or table, water feature, bee-friendly plants.

WHERE WILL YOU BE CELEBRATING WORLD ANIMAL DAY?

World Animal Day takes place every year on 4th October to celebrate animal life and humankind's special relationship with the animal kingdom. Our aim is to unite the animal welfare movement by encouraging everybody to use this special day to express their love and concern for animals.
